Mr. Jason Dunbar
Jancewicz & Son
6 Morgan Street
Bellows Falls, VT 05101

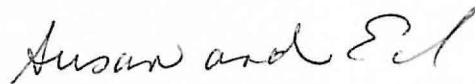

Dear Jason,

I wanted to write to let you know how impressed we were with the crew who installed our windows. They were polite, punctual and hard working. As you know, this project ended up being much more involved than was anticipated. John and Richard did not waste a moment tackling any obstacles that occurred. Their craftsmanship was superior.

We are pleased with the results and would not hesitate recommending Jancewicz & Son to our friends.

Please let John and Richard know how much we appreciate their hard work.

Sincerely,

A handwritten signature in cursive script that reads "Susan and Ed".
